# RAMPOLDI

de

MONTE - CARLO

depuis 1946

*This mindfully curated list pays homage to winemakers and the passion that motivates them.*

*In a glass there is more than grapes or simply wine, there is also a story of people coming together.  
The winemakers, through their wine, convey terroir, personality and emotions to present nature at its best.*

*We encourage you to explore and travel through these stories; there is always something new and exciting to connect with.*

Beverage Director - Alex Teisanu
